Future Next Steps for Collaboration

- Curricula working group between Middlesex and Widener working on merging Widener new course and Middlesex MOOC materials to establish joint curriculum.
- Materials will be transferred onto shared platform (e.g. Moodle/Canvass).
- Pilot with our students from both universities, with pre and post test on KSA (knowledge, skills and attitudes)
- Explore students joint views/opinions on line via discussion forums, differences in practice between USA and UK across the disciplines.
